Music Professional of
the Year

Michael Lander is a Saskatoon songwriter and guitarist who writes and performs original rock with a blues edge and a touch of country. He was named **Music Professional of the Year at the 2023 Saskatchewan Music Awards**. His debut EP, *The Forgotten Experiments*, released April 2023, opened a planned series — the next two, *The Experiments EPa* and *EPb*, are now being finished for a joint release.

"Long, Cold Run" — Top 25 Finalist, Canadian Songwriting Competition (will appear on The Experiments EPb) · airplay on CKYC, CKBI, CFIS & CJTR

Michael also helps build the scene he plays in — he's led the Songwriters Association of Canada's Saskatoon chapter since 2016, founded The Original Open Mic, and helped relaunch the Sask Home-Grown Series.

He performs with his trio — **Michael Lander (vocals/guitar), Dale (bass), C.C. (drums)** — at Buds on Broadway, and is now booking shows across Western Canada.
